

Facial and Skin Treatments

Express Facial

In a hurry, try our 30 minute Express Facial. This treatment covers the basics: cleansing, steaming, and your choice of a facial massage or extractions.

Essential Facial

The refreshing 60 minute Essential Facial focuses on cleansing and hydration for normal to oily skin types. This treatment includes: cleansing, steaming, extraction, facial massage, and mask.

Seasource Detox Facial

A luxurious experience awaits you. Our Seasource Detox facial uses products that are mineral enriched to help firm, tone, and remove impurities from environmentally stressed skin.

Anti-Aging Facial

This facial addresses the after effects of sun exposure and aging. This age-defying facial is tailored to deliver targeted protection against moisture loss and visibly strengthens, firms, and renews the appearance of skin.

Custom Facial

A 90 minute facial that includes all the essentials but delivers a more pampering experience.

** A glycolic treatment can be added to any facial for extra exfoliation.*

Makeup Application

Approximately 30 minutes – great for touching up makeup \$30 or free with a \$30 product purchase

Makeup Consultation

Approximately 60 minutes – for special events or a makeup consultation \$60 or free with a \$60 product purchase

Back Treatment

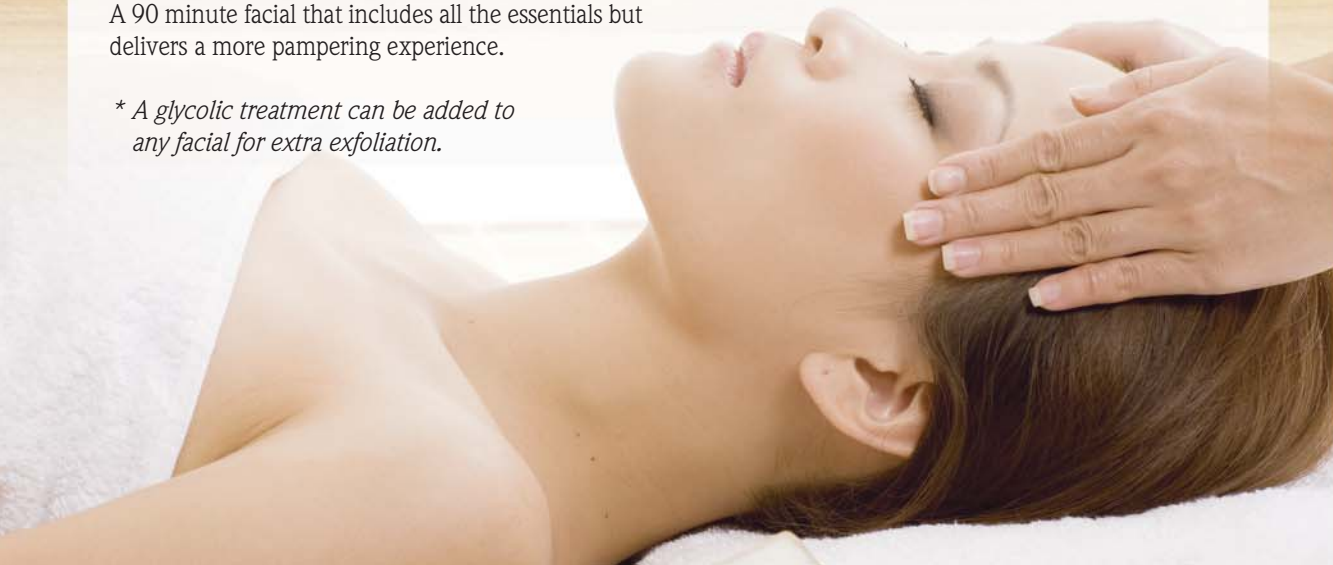

A treatment for your back that includes: cleansing, exfoliation, extractions and the application of essential oils.

Body Wrap

This treatment includes a body polish, body mask, and finishes with a combination of essential oils and re-mineralizing lotion to re-hydrate the skin.

Body Polish

A skin smoothing body treatment that exfoliates and rejuvenates the skin
